Explanation of Responses:

1. Each Performance Stock Unit ("PSU") represents a contingent right to receive one share of Aquestive ("Company") common stock. The PSUs have a three-year Performance Period, and, to the extent earned, will vest 100% on the third anniversary of the grant date, subject to the grantee's continued employment or other service with the Company or any Subsidiary from the Grant Date through the last day of the Performance Period. The number of shares of Common Stock that will be earned at the end of the three-year Performance Period is subject to increase or decrease based on the results of the Performance Price. The Performance Price for these PSUs is defined as the 30-day average of the closing price of the Company shares as reported on the Nasdaq Stock Market immediately prior to and including the last calendar day of the Performance Period.
